United States Olympic Committee Volunteer Dentist Participation Program

The Academy for Sports Dentistry is pleased to announce our involvement with the United States Olympic Committee Volunteer Dentist Participation Program. As I am sure you are aware it is a great honor to be part of this program.

The program is eligible to roughly 1,000 TEAM USA Athletes who reside and train throughout the USA. The program was officially rolled out at the 31st Annual Academy for Sports Dentistry Symposium in Philadelphia, Pennsylvania.

We are very excited to announce that we had forty-four percent participation from the symposium attendees. In order to be able to provide care to as many athletes in as many areas of the country as possible, we are offering two levels of participation.

Level 1 (Basic Services)
If you are a member of the Academy and your application is approved, you are eligible to provide care to the elite Team USA Athletes.

Level 2 (Expanded Services)
If you are a member of the Academy and your application is approved, and you have received the ASD Team Dentist Certification, you are eligible to provide care to the elite Team USA Athletes. In addition, Level 2 dentists who are approved to participate in the program will also be considered for volunteer opportunities at TEAM USA events.

If you have not applied, send in your application today to become an approved provider for eligible Team USA Athletes. The eligible athletes will be referred by the USOC to the dentists who are accepted into the USOC Online National Medical Network Provider Database. This referral process will assure that only the appropriate athletes are utilizing this service. In addition, the USOC will encourage athletes to follow-up with their appointments once the appointments have been made.

It is truly an honor and a privilege to be chosen to be associated with Team USA. As the sole dental organization associated with the United States Olympic Committee, you have the opportunity to be one of TEAM USA’s special members. We are excited to have you possibly be “One of the Members of the Team Behind the Team!”
